Dear Parents,

**Re: Remote Learning**

Vega College is experiencing issues with the building and as such all learning will be remote, through Microsoft Teams for this week. Students should not physically attend the provision as the building will be closed but they should access remote learning on the days that they would usually attend Vega College.

You will be contacted separately with information about how to log in and access the work.

Sessions will be delivered each day at:

0930 – 1015

1030 – 1115

1300 – 1345

Please ensure that your child completes the work and can log in. This can be done using a phone, tablet or laptop. If you require support or a device, please let us know by calling 01302 493447.

If your child does not log in to each session we will undertake welfare calls to encourage attendance and offer support.

We are sorry that we are unable to provide our usual provision, but we are working hard to rectify the issues and can assure you that your child will continue to receive high quality education from Vega College.

If you have any queries please contact us on 01302 493447.

Yours sincerely,

**Vega College**
