Dear Parents/Carers,

I hope this letter finds you well.

We are writing to you to inform you that we will be offering some fantastic trips and experiences to our students over the next two weeks. Each half term we have an employability focus and this half term it is 'staying positive'. With this in mind, we hope that your child will find the experiences challenging yet fun.

Tomorrow (Thursday 20<sup>th</sup> March) our students will be on a trip to Sherwood Pines. Students are to arrive at Vega College at the normal time in the morning and we will be setting off by minibus at 9.30am prompt. Once at Sherwood Pines the students will take part in activities that will challenge them such as adventure play and team games. Vega will provide a packed lunch for students, but they are welcome to bring their own money to buy food and drink from the cafe. As we are outside for the day it is important that students are dressed in warm clothing, suitable footwear and bring a coat. We will set off back from Sherwood Pines at 1.15pm and arrive back at Vega at 2pm. Once we are back at 2pm students will be finished for the day, and they can leave site.

On Monday 24<sup>th</sup> January we are planning to invite an animal experience in to college for the PM session where students will get to learn about and handle, if they wish, exotic animals.

On Tuesday 25<sup>th</sup> March we will be visiting Austerfield Study Centre to take part in orienteering and team games. We will leave college at 9.30am prompt as activities commence at 10am and end at 1pm. Students will then eat their packed lunch which we will provide, they are welcome to also bring their own drinks and food. There is nowhere for students to purchase anything so they will not need any money. We will set off back to Vega College at 1.30pm and on their return they will leave college as soon as we are back. Again, we would request that students are suitably dressed for this as we will be outside all day.

On Wednesday 26<sup>th</sup> March we will visit the village of Castleton in the Peak District. Our students have chosen this activity themselves and they would like to take part in a hike which will likely be to Mam Tor. It would be advisable for students to take waterproofs and suitable footwear. We will leave college at 9.15am prompt and will endeavour to return for 2.15pm however as this destination is further away, please be prepared for students to arrive back possibly a little later than 2.15pm. Students will leave for home as soon as we are back. As there are shops and cafes in Castleton, students can bring money but we will provide food and drinks.

If you have any questions regarding these trips and experiences, please do not hesitate to contact us. Thank you, as always, for your continued support.

Kind Regards,  
Vega College Staff Team

Dear Parents/Carers,

I hope this letter finds you well.

We are writing to you to inform you that we will be offering some fantastic trips and experiences to our students over the next two weeks. Each half term we have an employability focus and this half term it is 'staying positive'. With this in mind, we hope that your child will find the experiences challenging yet fun.

Tomorrow (Thursday 20<sup>th</sup> March) our students will be on a trip to Sherwood Pines. Students are to arrive at Vega College at the normal time in the morning and we will be setting off by minibus at 9.30am prompt. Once at Sherwood Pines the students will take part in activities that will challenge them such as adventure play and team games. Vega will provide a packed lunch for students, but they are welcome to bring their own money to buy food and drink from the cafe. As we are outside for the day it is important that students are dressed in warm clothing, suitable footwear and bring a coat. We will set off back from Sherwood Pines at 1.15pm and arrive back at Vega at 2pm. Once we are back at 2pm students will be finished for the day, and they can leave site.

On Monday 24<sup>th</sup> January we are planning to invite an animal experience in to college for the PM session where students will get to learn about and handle, if they wish, exotic animals.

On Tuesday 25<sup>th</sup> March we will be visiting Austerfield Study Centre to take part in orienteering and team games. We will leave college at 9.30am prompt as activities commence at 10am and end at 1pm. Students will then eat their packed lunch which we will provide, they are welcome to also bring their own drinks and food. There is nowhere for students to purchase anything so they will not need any money. We will set off back to Vega College at 1.30pm and on their return they will leave college as soon as we are back. Again, we would request that students are suitably dressed for this as we will be outside all day.

On Wednesday 26<sup>th</sup> March we will visit the village of Castleton in the Peak District. Our students have chosen this activity themselves and they would like to take part in a hike which will likely be to Mam Tor. It would be advisable for students to take waterproofs and suitable footwear. We will leave college at 9.15am prompt and will endeavour to return for 2.15pm however as this destination is further away, please be prepared for students to arrive back possibly a little later than 2.15pm. Students will leave for home as soon as we are back. As there are shops and cafes in Castleton, students can bring money but we will provide food and drinks.

If you have any questions regarding these trips and experiences, please do not hesitate to contact us. Thank you, as always, for your continued support.

Kind Regards,  
Vega College Staff Team

I hope this letter finds you well.

We are writing to you to inform you that we will be offering some fantastic trips and experiences to our students over the next two weeks. Each half term we have an employability focus and this half term it is 'staying positive'. With this in mind, we hope that your child will find the experiences challenging yet fun.

Tomorrow (Thursday 20<sup>th</sup> March) our students will be on a trip to Sherwood Pines. Students are to arrive at Vega College at the normal time in the morning and we will be setting off by minibus at 9.30am prompt. Once at Sherwood Pines the students will take part in activities that will challenge them such as adventure play and team games. Vega will provide a packed lunch for students, but they are welcome to bring their own money to buy food and drink from the cafe. As we are outside for the day it is important that students are dressed in warm clothing, suitable footwear and bring a coat. We will set off back from Sherwood Pines at 1.15pm and arrive back at Vega at 2pm. Once we are back at 2pm students will be finished for the day, and they can leave site.

On Monday 24<sup>th</sup> January we are planning to invite an animal experience in to college for the PM session where students will get to learn about and handle, if they wish, exotic animals.

On Tuesday 25<sup>th</sup> March we will be visiting Austerfield Study Centre to take part in orienteering and team games. We will leave college at 9.30am prompt as activities commence at 10am and end at 1pm. Students will then eat their packed lunch which we will provide, they are welcome to also bring their own drinks and food. There is nowhere for students to purchase anything so they will not need any money. We will set off back to Vega College at 1.30pm and on their return they will leave college as soon as we are back. Again, we would request that students are suitably dressed for this as we will be outside all day.

On Wednesday 26<sup>th</sup> March we will visit the village of Castleton in the Peak District. Our students have chosen this activity themselves and they would like to take part in a hike which will likely be to Mam Tor. It would be advisable for students to take waterproofs and suitable footwear. We will leave college at 9.15am prompt and will endeavour to return for 2.15pm however as this destination is further away, please be prepared for students to arrive back possibly a little later than 2.15pm. Students will leave for home as soon as we are back. As there are shops and cafes in Castleton, students can bring money but we will provide food and drinks.

If you have any questions regarding these trips and experiences, please do not hesitate to contact us. Thank you, as always, for your continued support.

Kind Regards,  
Vega College Staff Team

We are writing to you to inform you that we will be offering some fantastic trips and experiences to our students over the next two weeks. Each half term we have an employability focus and this half term it is 'staying positive'. With this in mind, we hope that your child will find the experiences challenging yet fun.

Tomorrow (Thursday 20<sup>th</sup> March) our students will be on a trip to Sherwood Pines. Students are to arrive at Vega College at the normal time in the morning and we will be setting off by minibus at 9.30am prompt. Once at Sherwood Pines the students will take part in activities that will challenge them such as adventure play and team games. Vega will provide a packed lunch for students, but they are welcome to bring their own money to buy food and drink from the cafe. As we are outside for the day it is important that students are dressed in warm clothing, suitable footwear and bring a coat. We will set off back from Sherwood Pines at 1.15pm and arrive back at Vega at 2pm. Once we are back at 2pm students will be finished for the day, and they can leave site.

On Monday 24<sup>th</sup> January we are planning to invite an animal experience in to college for the PM session where students will get to learn about and handle, if they wish, exotic animals.

On Tuesday 25<sup>th</sup> March we will be visiting Austerfield Study Centre to take part in orienteering and team games. We will leave college at 9.30am prompt as activities commence at 10am and end at 1pm. Students will then eat their packed lunch which we will provide, they are welcome to also bring their own drinks and food. There is nowhere for students to purchase anything so they will not need any money. We will set off back to Vega College at 1.30pm and on their return they will leave college as soon as we are back. Again, we would request that students are suitably dressed for this as we will be outside all day.

On Wednesday 26<sup>th</sup> March we will visit the village of Castleton in the Peak District. Our students have chosen this activity themselves and they would like to take part in a hike which will likely be to Mam Tor. It would be advisable for students to take waterproofs and suitable footwear. We will leave college at 9.15am prompt and will endeavour to return for 2.15pm however as this destination is further away, please be prepared for students to arrive back possibly a little later than 2.15pm. Students will leave for home as soon as we are back. As there are shops and cafes in Castleton, students can bring money but we will provide food and drinks.

If you have any questions regarding these trips and experiences, please do not hesitate to contact us. Thank you, as always, for your continued support.

Kind Regards,  
Vega College Staff Team

We are writing to you to inform you that we will be offering some fantastic trips and experiences to our students over the next two weeks. Each half term we have an employability focus and this half term it is 'staying positive'. With this in mind, we hope that your child will find the experiences challenging yet fun.

Tomorrow (Thursday 20<sup>th</sup> March) our students will be on a trip to Sherwood Pines. Students are to arrive at Vega College at the normal time in the morning and we will be setting off by minibus at 9.30am prompt. Once at Sherwood Pines the students will take part in activities that will challenge them such as adventure play and team games. Vega will provide a packed lunch for students, but they are welcome to bring their own money to buy food and drink from the cafe. As we are outside for the day it is important that students are dressed in warm clothing, suitable footwear and bring a coat. We will set off back from Sherwood Pines at 1.15pm and arrive back at Vega at 2pm. Once we are back at 2pm students will be finished for the day, and they can leave site.

On Monday 24<sup>th</sup> January we are planning to invite an animal experience in to college for the PM session where students will get to learn about and handle, if they wish, exotic animals.

On Tuesday 25<sup>th</sup> March we will be visiting Austerfield Study Centre to take part in orienteering and team games. We will leave college at 9.30am prompt as activities commence at 10am and end at 1pm. Students will then eat their packed lunch which we will provide, they are welcome to also bring their own drinks and food. There is nowhere for students to purchase anything so they will not need any money. We will set off back to Vega College at 1.30pm and on their return they will leave college as soon as we are back. Again, we would request that students are suitably dressed for this as we will be outside all day.

On Wednesday 26<sup>th</sup> March we will visit the village of Castleton in the Peak District. Our students have chosen this activity themselves and they would like to take part in a hike which will likely be to Mam Tor. It would be advisable for students to take waterproofs and suitable footwear. We will leave college at 9.15am prompt and will endeavour to return for 2.15pm however as this destination is further away, please be prepared for students to arrive back possibly a little later than 2.15pm. Students will leave for home as soon as we are back. As there are shops and cafes in Castleton, students can bring money but we will provide food and drinks.

If you have any questions regarding these trips and experiences, please do not hesitate to contact us. Thank you, as always, for your continued support.

Kind Regards,  
Vega College Staff Team
