Dear Parents/Carers,

Re: New Level 2 Qualification

I hope you have all had a lovely summer and this letter finds you well. Students will continue to study their GCSE core subjects and Personal Development. This year we have an exciting new course for all of our students to study called Equality and Diversity which is a Level 2 qualification. This course is coursework based and will all be completed within the college day with the aim of all students achieving this by the end of the academic year. Next year students will have the same opportunity in a Level 2 course called Nutrition and Health.

This letter is to signpost you to our website [Vega College - Home](#) where you will find a curriculum area with our Long Term Plans in for all subjects so that you can see what your child is studying. If you have any questions regarding the course or any aspect of the curriculum please do not hesitate to contact us. We look forward to another successful year of preparing your child for their GCSE's and the world of work, gaining qualifications along the way.

Thank you, as ever, for your continued support.

Kind Regards,

Vega College Staff Team
