

20th November 2025

Dear Parent,

I previously contacted you to share our RSE and PSHE Curriculum Policy which is available to view on our website.

Whilst parents do have the right to withdraw their child from RSE, these lessons are designed to equip students with essential knowledge and skills necessary for their personal development and well-being, preparing them for the challenges of adulthood. We understand the importance of this subject matter and would encourage you to engage with us as we would really appreciate your input and feedback in this area.

Therefore, I am inviting you to visit us at Vega College on **Tuesday 2nd December between 2.30pm and 3.30pm** where we will be able to show you our full RSE and PSHE curriculum offer. There will also be an opportunity to view your child's work in these subjects.

You do not need to inform us if you are attending, you are welcome to just join us on the day. If you would like to attend but are unavailable on this day and time, please contact us and we can look to arrange an alternative date.

Thank you for your continued support in fostering a safe and inclusive educational environment for our students.

Yours sincerely,
