

12th January 2026

Dear Parent,

National Holocaust Museum Trip

I am writing to inform you about an upcoming trip to the National Holocaust Museum, which will provide our students with an invaluable opportunity to enhance their understanding of the Level 2 Equality and Diversity course while also marking Holocaust Memorial Day. This visit is designed to deepen their awareness of historical events and promote discussions around equality and diversity.

The trip is scheduled for Thursday, 15th January 2026. We will depart from college at 9:15am and return in time for the end of the normal school day. There is no cost associated with this trip, as lunch will be provided for all students. However, students are welcome to bring their own snacks and drinks if they wish. We will be travelling by school minibus to ensure a safe and comfortable journey.

This excursion is an important part of our curriculum, and we believe it will greatly enrich the students' learning experience. We encourage you to discuss the significance of this trip with your child, as it offers a unique chance to engage in important themes of history and humanity.

Please ensure that your child is prepared for the day and arrives at college on time. If you have any questions or concerns regarding the trip, do not hesitate to contact me.

Yours sincerely,
