

23rd February 2026

Dear Parent,

As part of our commitment to provide a rich educational experience, we would like to inform you about an exciting home learning opportunity that will enhance your child's learning and engagement with the curriculum.

As you are aware, home learning plays a vital role in reinforcing the skills and knowledge acquired at college. To support this, we have invested in an online learning platform called Century Online Learning. On this platform students are assigned 'nuggets' of learning to support them with their GCSE English, Mathematics and Science. The 'nuggets' that are assigned match the topics that students are currently studying in college. We hope this will give you further insight into their learning experience.

We encourage you to discuss these tasks with your child and assist them in managing their time effectively. It is important for students to set aside dedicated time for home learning, as this will foster independence and responsibility. Regular check-ins regarding their progress and offering assistance when needed, can significantly boost their confidence and motivation.

To access Century Online Learning, please follow the instructions below. Students use this platform at college, so they are aware of how to log in and complete work.

Click on the following link to access the website, [CENTURY | Online Learning | English, Maths and Science](#). Go to the top right corner and click on 'account login'. The username is the same college email address which they use to log on to computers at college. The password is **vegacollege**. If your child cannot remember their email address, please contact us.

Each half term we will award a £10 voucher to the student in Year 9, 10 and 11 who has completed the most home learning.

Should you have any questions or require further information regarding the home learning activities, please do not hesitate to contact us.

Thank you for your continued support and involvement in your child's education.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'C Taylor'.

Miss C Taylor  
Curriculum Lead
