Dear Parents,

We would like to remind you of the importance of monitoring and managing your children's use of social media to ensure their safety and wellbeing.

Please encourage open conversations about online safety, set clear boundaries around screen time, check privacy settings, and regularly monitor the apps and platforms your children are using. It is also important to remind children to be respectful online and never to share personal information or engage with inappropriate content.

By working together, we can help ensure our children use social media safely and responsibly.

Thank you for your continued support and cooperation.

Kind regards,
